

Kim Boddy

Account Manager

U.S. Employee Benefits Services Group

Kim has extensive responsibilities as an Account Manager. She has a high level of experience within the employee benefits industry encompassing group and voluntary plans, as well as self-funded and fully insured medical, dental and vision plans.

Her dedicated client account management and advocacy efforts strive to improve coverage knowledge, providing assistance and expertise to facilitate client satisfaction.

Continuous educational efforts to assist client groups in benefit plan management results in increased understanding and improved utilization of their benefit plans. Kim's strong benefit administration management and knowledge drives results in process improvements.

Kim graduated from SUNY Brockport with a Bachelor's of Science degree in Communications with a concentration in Interpersonal and Organizational Communications. She is licensed Life, Accident and Health.
