

Paul Navratil

Account Manager

U.S. Employee Benefits Services Group

Paul brings extensive experience in the employee benefits field and manages the administrative workload on both client and carrier side of workflow processes, including resolution of client inquiries to provide efficiency in support and excellence in service. He implements any changes to client coverage, including COBRA administration, ensuring knowledgeable support to a varied client base.

Paul graduated with a Bachelor of Science in Finance degree from New Paltz and is trained with NYS Shop and Individual Exchange, in addition to his NYS Life, Accident and Health license.
