

Sandra Battista

Client Services Manager

U.S. Employee Benefits Services Group

Sandra enhances client experiences by consistently implementing process improvements in a dynamic industry to exceed client expectations, utilizing technology and constantly evolving best practice solutions. In addition to client management and the service, enrollment and renewal of accounts, her expertise in the small business department provides clients with immediate and knowledgeable support.

Sandra's background includes experience on the carrier side and in computer technology. She also has extensive experience in business administration and processes. Sandra is licensed NYS Life, Accident & Health.
